

WELCOME MESSAGE

Welcome to Kids Inc Camp. Whether you have participated in our programs for many years, or if you are joining us for the first time, we look forward to having you at camp with us this summer! This handbook is the same for all parents of all campers attending any of the programs offered at Kids Inc. Camp. Junior General Camp, General Camp, LIT Camp, and Craft or Wellness Camp all operate with the same set of policies and procedures. Please read this handbook and all of it's contents no matter what program you are registering your camper/s for.

This handbook is an extensive list of our policies. It is important to note that policies may be added at any time pre-camp or during the camp season. Please familiarize yourself with all of our policies prior to registration. Please also ensure that you re-read them again just prior to the week/s your camper/s will be attending just in case changes have been made during the pre-camp season. You will be required to sign off on a document during registration that states that you have read and agree to our policies.

Our REGISTRATION GUIDE is another document that we suggest that you read. This additional document will provide you with dates, prices, bus schedule, program options, and more during your registration process. It can be very helpful to have this information at your side as you register. Please also ensure that you re-read this document again just prior to the week/s your camper/s will be attending just in case changes have been made during the pre-camp season.

Our office is a seasonal office that is able to respond to your questions via e-mail year round at registration@kidsinc.ca – however – over the phone assistance is as per our office hours listed on our CONTACT US page of the web site and is also listed at the end of this document. We are a small team in the camp office and therefore we ask that you are patient with regards to our ability to get back to your inquiries. Please login to our system to try to edit the items in your file that you wish to add or change. If you need to cancel anything you will need to ensure that it is within our policy time frame to do so and you will need to email the office for assistance. If you need additional help of any other kind please email us at the office for additional support to manage your file.

EXPECTATION OF MUTUAL RESPECT

We are only able to provide service as it is described on our web site and within our promotional information when the camper/s and camp families adhere to all codes of conduct and policies listed within this handbook. Inability to follow our policies will eliminate our ability to serve your needs. Please read our policies and notes in this parents handbook prior to registering with us to ensure that there is a mutual understanding of what Kids Inc Camp is able to provide. Kids Inc. Camp is happy to serve the needs of your family within the framework of the program, facility, and services that we provide.

Kids Inc Camp and our staff will treat you with respect and we wish to let you know that we expect the same in return from our clients. As stated above, our services will only be provided to clients who understand and respect us, our policies, our staff, and our camp facility.

We are looking forward to a smooth registration process for you and a wonderful summer with your campers.

Sincerely,
Kids Inc. Camp Owners/Directors/Admin Team

POLICIES AND PROCEDURES

During the registration process you will be continuously asked if you have read, and agreed to all of the terms and conditions outlined in this document. You will also provide your e-signature in lieu of your handwritten signature. By completing the registration you are agreeing to the use of the e-signature. Please read all the information carefully.

1. Registration Policies

GENERAL

1.01. We ask that all registrants please download and read our Registration Package in full prior to starting with our online registration system. If any part of the documentation is not available at the time of your registration it will be emailed to you at a later date. You will be asked to reply to the email to state that you have received and read the contents of the email.

1.02. If you cannot see online confirmation of your registration on your family profile within our online registration system within 24 hours of registration we ask that you contact our office immediately. This may be a sign that something has happened during the registration process that has impacted your registration and in fact you may not be properly registered. Unless you can see your confirmation of registration in your family profile, do not assume that you are registered. Please contact us if you have any questions or need clarification about this.

1.03. During the registration process, we ask that you provide any and all information that you can with regards to the campers that you are registering for the program. Information is helpful in caring for your child. If you have chosen to withhold information that limits our ability to work effectively with your camper within the ratio of care provided in the program we may not be able to proceed with the registration. If you have indicated that your camper will need a support worker while they are at camp you must ensure that you have followed all other instructions related to obtaining support. Failure to do so will render us unable to provide support and your registration will have to be deferred to the next camp season in order to be sure that we are able to provide the support that your camper will require.

1.04. We ask that you review your confirmation of registration to ensure that all contact info has been properly captured by our system. This is our only means of communication with you and we need to be sure that we have it entered into the system correctly. This will be our method of contacting you should there be any kind of emergency, bus issue, or communication from our office to your household.

1.05. We require all parents and guardians of all campers who are registered for our program to read and agree with the policies and practises listed in this Parents Handbook. By completing your registration you have agreed to all contents currently listed and any new contents that may be listed prior to your campers time with us at Kids Inc. Please review this information prior to your camper attending our program in case of updates.

WAITING LIST

1.06. You must select any and all options in the online interface to be added to wait lists. Emails to our office are not able to secure your spot on the waiting list - only registration on the waiting list online will put you in proper cue.

LATE FEES

1.07. Late fees will accumulate with every 10 minute period that passes after the scheduled time for pick up. If you have encountered any kind of situation during your day that will make you late for pickup of your camper please call or e-mail our administrative office as quickly as you can to communicate that to us.

AGE/GRADE RESTRICTION POLICIES

1.08. Some of our programs have age and grade limitations associated with them. We ask that you contact us with any questions or concerns related to these policies prior to your camper's attendance at our program. We are not able to change these policies on a case by case basis as they are related to our insurance policy and are non-negotiable.

1.09. Junior General Camp is a program that is only recommended for children who enjoy being outdoors and who have attended a full day program in the past. Your Junior General Camper must be finished JK prior to attending Junior General Camp. Please call us to discuss if you are unclear about any aspect of this stipulation.

BUDDY REQUESTS

1.10. Siblings and friends that qualify for different programs cannot be placed in the same group. For example, if one child is a Junior General Camper (age 5) and one child is a General Camper (ages 6-12) they will not be placed in the same group.

1.11. Junior General Camp can be a challenge to match your buddy request in due to ratio of care issues. We will do our best to match your request but please note that all campers in this program who are registered for the same week of camp spend the majority of the day as one large group and therefore the buddy request system is not the only factor in their ability to spend time together.

1.12. Buddy requests for General Campers will be accommodated to the best of our ability if the request is made at the time of registration and the age difference between the two children is not unreasonable

1.13. There are no Buddy Requests for LIT Campers. The purpose of the LIT program is to build leadership and social skills. In order to ensure that all campers benefit from equal attention, LITs will not be placed in a group with their younger sibling.

1.14. Correct spelling of the buddy's name is necessary for us to grant a buddy request.

1.15. If you need to make any changes to buddy requests after the registration process, email the change to registration@kidsinc.ca.

1.16. If behavioural concerns arise as a result of two or more campers being in the same group, we reserve the right to change group assignments.

1.17. Buddy Requests are not guaranteed. **Please Note:** There are many opportunities for children who are in the same camp program to mix and mingle with campers who may not be in their "Cabin Group." General Campers choose their activities from Monday to Thursday. During activity periods, they will socialize with children who are not in their group. Friday theme days are a time to get to know new campers and staff. We also have many full camp activity times for the campers to mix and mingle with all age groups.

HOURS POLICY/DROP OFF/PICK UP

1.18. Early sign outs may be able to be organized through the administration office, on days where you may have prior plans. Please contact the administration office 48 hours before in order to organize these arrangements. Please note that improperly arranged early pickups can lead to frustration as our driveway has a lock down period during the loading and unloading of our camp buses. Please be sure to contact us to avoid conflict and frustration during an early pick up or late drop off situation.

1.19. If you require consistent bus pick up and drop off times each day we suggest bus stop #1 on the Route of your choice. This way traffic will not inhibit or change your pick up and drop off time in any way along the way. Bus times listed on our bus routes are within 15 minutes of when the bus will arrive based upon traffic. The bus will leave each stop on time if it arrives on time so please do be sure to stick to the schedule. If you are signed up for drop off and pick up of your camper at camp you may only drop off from 8:00 AM to 8:30 AM each day and pick up from 4:30 PM to 5:00 PM each day. No other times are permitted for pick up and drop off at our camp facility.

PLEASE NOTE THAT ANY PARENT/S WHO DRIVE AT ANY OF OUR BUS STOP LOCATIONS OR INTO OUR CAMP IN A WAY THAT COMPROMISES THE SAFETY OF OUR CAMPER'S MAY BE REMOVED FROM OUR PROGRAM. PLEASE DRIVE, AND PARK WITH SAFETY IN MIND. PLEASE LEAVE YOUR PETS IN YOUR CAR OR DO NOT BRING THEM FOR THE RIDE – SOME OF OUR CAMPER'S ARE NOT TO COME INTO CONTACT WITH ANIMALS.

3. Weather Related Policies

3.01. Our camp is an outdoor program and we ask that your child/ren come ready for the weather.

3.02. Our program will run rain or shine unless there is a weather emergency or unless otherwise stated/communicated on the day in question. We suggest that you only send your child/ren when you feel that the weather is safe and appropriate for their participation.

3.03. No refunds will occur for the camp program for inclement weather or cancellation due to a weather emergency.

3.04. Refunds may be possible in the case of add on programs if they are cancelled due to inclement weather. For Example: Tree Top Trekking on a day that we have a thunderstorm may result in rescheduling, a credit, or a certificate for your camper to attend some other time.

3.05. Each weather related cancellation and our ability to provide a refund will be decided upon and communicated on a case by case basis.

4. Safety, Security, and Health Related Policies

INTRODUCTION

4.01. The safety of the campers is our primary concern at Kids Inc Camp. We have specific rules and policies that secure your child's safety to the utmost extent. Our safety policies must be adhered to by staff, parents, and campers at all times. Failure to comply will not be tolerated, and can result in removal from the program. Kids Inc Camp reserves the right to add safety related policies at any time.

Familiarizing yourself with the following will provide you with valuable information on how, together, we can achieve a safe and secure environment for the children. Safety and communication go hand in hand at Kids Inc Camp. If there are any changes to your registration with regards to: adults who may or may not do pick up and drop off, early pick up for an appointment, or any other changes you must communicate this to our office as quickly as you can. If you do not get a personal response from our office with regards to a last minute communication we ask you to understand that we have not received your message, and you will have to revert to the original plan as per your registration. This policy is in effect to ensure that your camper/s are safe. We ask for your diligence in reporting changes and only

making such changes if they have been agreed upon and recorded by the office. If Kids Inc finds that our approach to the safety, security, and health of your child/ren is not in keeping with your own, we will be unable to continue with your registration and you will be issued a full refund.

CODE OF CONDUCT

4.02. Kids Inc Camp has a Code of Conduct that all campers, and family members are required to follow while they are attending our program. The code of conduct is as follows:

Camper Code of Conduct

- All campers, and campers' family members will treat one another with respect.
- All campers, and campers' family members must respect the property of the park and of other campers.
- Teasing and bullying behaviour will not be tolerated.
- Campers, and campers' family members, will be asked to leave Kids Inc Camp if they exhibit violent or aggressive behaviour with campers or staff.

Campers, and campers' family members, who are asked to leave Kids Inc Camp will receive a refund, minus a \$25.00 service charge per each remaining session for which they are registered.

4.03. This code of conduct is in place in order to ensure that all campers have the opportunity to have a positive camp experience. Self-esteem, teamwork and citizenship are just a few of the valuable traits your child/ren will gain from their camp experience. Please go over these expectations with your child before camp begins. Campers who fail to comply with the Code of Conduct may be given a verbal warning and a phone call home in order to address the behaviour and seek improvement. The next step would be a one day suspension from camp in order to further address the problem. If your child remains non-compliant, we will ask you to find alternate child care that can better support the needs of your child.

4.04. Any person(s) exhibiting behaviors that, in any way compromises the safety, security, or health of themselves, another camper, or staff member, will be removed from the camp immediately. Refunds will be assessed on a case by case basis.

AQUATIC SAFETY

Pool – used by all campers

4.05. All Campers going into SK, Grade 1 and Grade 2 are in Life jackets

4.06. All General Campers going into Grade 3 and over must do a pool swim check. This check will be to complete 5 bobs and 2 lengths of the pool swimming comfortably and safely. If the camper passes he/she will receive a yellow wristband. Completing the components of the check does not guarantee that the check will be passed. It is the manner in which the tasks have been completed that will be the determining factor. Please always contact us if you have any questions. Always assume that we have the safety of your camper in mind when decisions have been made. We understand that not every camper will be happy with the results of their swim check – however – we do ask for your support in keeping your camper safe in their pool use in a recreational – non-parentally supervised environment.

Pond – used by all campers

4.07- When Junior General Campers are in the pond they are required to wear a life jacket at all times. They will be playing on the beach and enjoying a small area where they can splash and play in very shallow water at the pond. They use the pond more like a wading pool.

4.08 All General Campers who pass the pool check and are going into grade 3 or higher must complete a pond check if they wish to swim in the pond during our senior swim.

4.09 Passing the pond check allows for pond swim time during Senior Pond Swim. Even if this check is passed it is mandatory to wear a life jacket when leaving the shallow area and while participating in watercraft activities such as kayaking and canoeing.

4.10 The pond swim check for campers who are entering Grades 3 and higher consists of a swim around the floating raft and back including 30 seconds of treading water close to the shallow area. All of this must be accomplished with comfort and safety in mind. Only confident swimmers will be able to pass this check. Completing the components of the check does not guarantee that the check will be passed. It is the manner in which the tasks have been completed that will be the determining factor.

PLEASE NOTE THAT OUR POOL AND POND ARE SUPERVISED BY CERTIFIED LIFEGUARDS AND AS PER ONTARIO PUBLIC POOL HEALTH AND SAFETY REGULATIONS.

SPECIAL REQUIREMENTS/CIRCUMSTANCES/AND ALLERGIES

****Campers in need of a support worker to help monitor their health and safety while at camp will need to be registered for the program no later than March 1st of the year that they wish to attend. This will give us lead time to hire the appropriate support staff and to assist you in gaining access to any and all available help with funding this initiative.**

4.11. During the registration process please honestly and correctly fill out the "Special Requirements" section, and fully address anything that may affect our ability to care for your child. Special Requirements may consist of, but are not limited to the following: food allergies, environmental allergies, medication, behavioural concerns, ADD/ ADHD, emotional problems, major life changes, medical concerns, physical disabilities, and intellectual disabilities.

4.12. Kids Inc is not able to accommodate campers who require support with toileting, lifting, and/or feeding requirements. If you require more information or further definition, please contact our office.

4.13a. Kids Inc Camp is a nut-free environment. Please do not send your child with any nuts or nut products. If your child has nuts or nut products in his/her lunch or snacks, he/she will be required to eat them in isolation from the rest of the children. We will call you at home in order to address the violation of our policy on this matter. This is a matter of life and death for some of our campers.

4.13b. If your camper is allergic to nuts, please note that as per our policy listed above, we will do our best to keep your child in a nut free environment. However, with new campers and new camper parents attending each new session of our program, it can be challenging to manage this policy and it is important that you understand that while we will do our best, we cannot guarantee that your camper will not come into contact with nuts or nut products and other allergens. It is important to note that Kids Inc has trees that bear nuts on our property. Please call our office for more information if this is a cause for concern.

4.13c. We understand that campers are attending our program with other food based allergies. We are sorry, but we will not be able to change our policies with regard to what campers can and cannot bring to the program based on the allergies of the campers that are attending the program. If you require more information about this, please contact our office.

4.14. Do not send any food items for your child to share with other campers. This policy is applicable on all occasions, including birthdays. Many parents have requested that their children are not provided with food other than what is sent to camp, and we ask that this policy be respected at all times.

4.15. We reserve the right to cancel any campers' registration if we find that our program is not a suitable match for them in any way. A refund for the remaining days that the camper is registered for will be issued within 7 days of such action being taken.

4.16. Kids Inc Camp requires that your child be toilet-trained. Please make the directors aware of any pertinent information on this issue upon registration. If the issue is such that it puts unreasonable demands on our staff, you will be asked to find alternate child care that can better support the needs of your child.

4.17. Campers who tend to seek personal space away from the group as a coping mechanism may struggle in the context of our program and our facility without the help of a support worker. Accessing

support at our program takes time and involves a process. Please visit the support page of our web site or please contact the registration office to discuss.

4.18. All campers must be able to make it through the day without a nap. Kids Inc Camp is an outdoor program that does not have a safe space to accommodate campers who require nap times. If this becomes an issue we will have to cancel the registration. There will be no refund in this case as it is clear that we are not able to accommodate this need and if your child has this need our program is not appropriate for them at this time.

4.19. For safety purposes all campers must speak and understand conversational English. We do understand that some families who are new to Canada may need programs for their children in order to help them to learn the English language in a fun and interactive way. If language skills are in progress and there may only be a slight barrier please contact our office to discuss our program and its suitability for your child. If Kids Inc is not a match, we may be able to help you find a more suitable option.

MEDICAL INCIDENTS/MEDICAL ISSUES/MEDICATION

4.20 It is imperative to the health and safety of your camper that you provide us with as much information on your child as you can during the registration process. Medication information about prescriptions taken even if they are not taken at camp can be important things to pass along to us at the camp office. Since we will be with your camper and you will want his/her health taken care of to the best of our ability we ask that you provide as much information as possible during the registration process. Kids Inc Camp will always do our best to work with campers who require medical support. Please note that safety is our primary concern. If we feel that a support worker is required to assist with your camper medical needs we will discuss that option with you upon registration. Once we have had your camper in our care if we feel that your ability to work with us to make your campers time with us as safe and healthy as it can be is not working out we will proceed to let you know. In a case like this we would not be able to have your camper at our program if we have noticed that our ability to work together as a team (parents/caregivers) is just not there. Each situation will be discussed on a case by case basis.

4.21. ALL PARENTS/GUARDIANS must e-sign the waiver form found in the online registration process.

4.22. If a child requires ANY medication during camp a PARENT/GUARDIAN must also fill out the online medical package of information found during our registration process. A follow up email to our office for serious medical issues is appreciated.

4.23. If your child has sustained an illness or injury at camp we will follow the appropriate course of action, which may include:

- A phone call to a parent, or emergency contact person during the day to report the incident.
- A phone call and email sent home in the evening to report the incident.
- A conversation upon pick-up of your child/ children to report the incident.
- Calling a parent or emergency contact to pick up the child.
- Providing First Aid or Aquatic Emergency Care treatment.
- Calling EMS to transport the child to an appropriate health care facility.

FOLLOW UP DOCUMENTATION AND ATTENDANCE BY ONE OF OUR STAFF MEMBERS MAY BE REQUIRED IF THIS IS THE METHOD OF CARE WE HAVE SELECTED. YOU WILL BE CONTACTED AND WE WOULD BE LOOKING FOR YOUR HELP, SUPPORT, AND COOPERATION IN A CASE THAT REQUIRED EMS ASSISTANCE

4.24. For all medical incidents we will make an effort to contact one or both parents or the emergency contact person of the child involved. By agreeing to our policies you permit Kids Inc Camp to take appropriate action should your child require First Aid, EMS services, or any other medical attention. You are responsible for any costs that may arise for the medical care of your child.

4.25. All counsellors maintain a current First Aid and CPR training certificate.

4.26. Any medical issue needs to be communicated with our administrative office if it will affect your child while attending camp. Please communicate all of this information using the special needs section of the registration form and submit the medication form if medication will be required.

4.27. Any medication brought to camp needs to be labelled and handed in at the start of the camp session to the Camper Care Coordinator/Bus Staff. This includes epipens, allergy medication, anti inflammatory, and any other medication needed by a camper on any given day. It is the parent's responsibility to remind the Camper Care Coordinator/Bus Staff to get the medication back to you prior to your departure. Please ensure you submitted the medication form online for all medications.

4.28. Do not pack medication in your camper's backpack with instructions for them to take it themselves. This could lead to an accident with regards to dosage or it could get into another campers hands. Please respect this policy and contact our office with regards to medication.

4.29. An epipen may be worn on a camper if necessary, however, this must be organized with the camp office well in advance of the camp session that your child is attending. Please contact our office at registration@kidsinc.ca or 519-855-6074.

4.30. It is the policy of Kids Inc Camp to allow you to decide how your camper's medication needs are handled by us. We do have systems in place that make it easier for us to keep track of medications and you are welcome to use our systems. If you feel that your camper's needs are such that our medication systems will not work for your camper we are open to discussing this with you. You will need to ensure that we understand the needs of your camper and the expectations that we should have for where medication will be in the case of an emergency. Medication that we have not been made aware of is prohibited on camp property.

4.31 If your camper needs daily medication and is booked for one of our optional off site day trips please be sure to discuss this with the registration office prior to the start of the camp season.

WASHROOM BREAKS FOR JUNIOR GENERAL CAMPERS

4.32. Washroom breaks are conducted in groups with one or more Junior General Camp staff members present. The female washroom is most always used for washroom and change room purposes for all Junior General Camp participants. Private enclosures ensure a private setting - however - please do note that this system allows for us to help with flushing, hand washing, and appropriate behaviour.

4.33. Kids Inc camp requires that your child be toilet-trained.

4.34. Junior General Camp has composting toilets in the Junior General Camp area. This will help with quick, easy and more independent washroom visits aside from the large group bathroom breaks.

refund in this situation on a case-by-case basis. This camper will then be welcome to register the following summer within the timelines required to obtain support in order to return in a way that will be safe and effective for that camper and their needs.

WALKING HOME

4.39. We recommend that all campers – regardless of their age or maturity level be accompanied by an adult or guardian both to and from their camp, bus stop or extended hours location. Although we do not advise for any camper of any age to be left unattended you can provide the office with documentation to allow for the arrangements that you want to put in place.

4.40. Any Parent or Guardian who wishes to have their child arrive or leave from their drop off or pick up location without any adult supervision is required to send a letter that states this intent to our admin office well in advance of the beginning of the session/s they are registered for.

4.41. There will not be any camper who is permitted to leave any camp, bus, or extended hours location without supervision without this documentation having been given to our admin office.
